THE LAW AND THE MUR-DEROUS CRANK.

What the Community Owes to Those Who Are Most Valuable to It.

TO THE EDITOR OF THE SUN-Sir: Of course Frank Holt is "insane," "unbal-anced," "a crank," whatever you choose to call it. He is so in the same sense as, in varying degrees, are the German Emperor, the General who or-dered the destruction of Louvain, the self-interest, egotism or emotion, is unable to balance things accurately is not quite sound, which was what the late Dr. Spitzka put in rather extreme form when he said that 90-or was it

95?-per cent. of mankind were insane. The practical question of to-da to-day is oward these people. So long as their lack of balance does not result di-rectly in injury to others we can prob-Whenever it does reach this climax I cannot but feel that nothing but the public safety should control our action. The law for which control our action. The law for which we pay is supposed to protect us. Does it really do so? Consider how many lives valuable to the community have been destroyed during the last few years by murderous "cranks."

Very likely these creatures are not absolutely sane, but they generally have pretty clear ideas about their own safety and comfort and they count definitely on unprincipled lawyers and doctors and sentimental fool juries to save them from the consequences of their acts. They are very clever in we pay is supposed to protect us. Does it really do so? Consider how

their acts. They are very clever in their acts. They are very clever in their way.

Is in not time that for the protection of sane, law abiding and useful citizens the defence of insanity be wiped from our statutes? Usually it is a mere pretence, morally speaking, but even when it is real how much better all around that a murderously inclined lunatic should be humanely put to sleep than that he should become a public burden, punctuated, if he has means, by repeated motions to set him loose again on the community. Death in the chair is much more kindly than the death marauding microbes award to most of us, yet no sane man can be death marauding microbes award to most of us, yet no sane man can be death marauding microbes award to most of us, yet no sane man can be death marauding microbes award to most of us, yet no sane man can be death marauding microbes award to most of us, yet no sane man can be death marauding microbes award to most of us, yet no sane man can be death marauding microbes award to most of us, yet no sane man can be death marauding microbes award to most of us, yet no sane man can be death marauding microbes award to most of us, yet no sane man can be death marauding microbes award to most of us, yet no sane man can be death marauding microbes award to most of us, yet no sane man can be death marauding microbes award to most of us, yet no sane man can be death marauding microbes award to most of us, yet no sane man can be death marauding microbes award to most of us, yet no sane man can be death marauding microbes award to most of us, yet no sane man can be death marauding microbes award to most of us, yet no sane man can be death marauding microbes award to most of us, yet no sane man can be death marauding microbes award to most of us, yet no sane man can be death marauding microbes award to most of us, yet no sane man can be death marauding microbes award to most of us, yet no sane man can be defined to bank. The witness denied this. Entire to minute book showed that, whether they constitut to most of us, yet no sane man can doubt that a realization by all would-be murderers of the certainty of prompt obliteration would be the strongest possible deterrent to crime, the best protection to those worth protecting
